

# Freedom of Movement Month

Demand an End to ICE on  
Greyhound

ICE Watch &  
Know Your Rights Flyering  
Every Tuesday in July

5pm - 7pm

Detroit Greyhound Station  
1001 Howard St, Detroit, MI 48226

ICE & Immigration officials have been terrorizing people at Greyhound bus stations as they travel for work, family & emergencies. Greyhound has allowed ICE to question passengers without a warrant; this terrorism is racial and class profiling because they are targeting people by how we look, in buses mostly used by poor & working people.

Join us in action during the month of July, 2018 to defend all peoples freedom of movement. Join us or plan your own actions at Greyhound bus stations to monitor ICE activity, educate passengers on ways to protect themselves & taking public action that demands an end to ICE visits to Greyhound buses & stations.

**-Call Greyhound and demand they refuse to allow ICE on the buses-  
214-849-8966 dial 4 to go right to customer service**

## GREYHOUND,

**NO IMMIGRATION RAIDS ON YOUR BUSES**

**PEOPLE HAVE THE RIGHT TO  
TRAVEL, LOVE & LIVE WHEREVER THEY PLEASE**
